

BUS GUIDELINES Spring 2017

Loading time for the bus is 3:20pm in front of the school. Departure is 3:30 sharp.

Only those girls who committed to the bus, paid the cost and signed the waiver are permitted on the bus - NO EXCEPTIONS

All girls are required to be seated wearing a seatbelt and conduct themselves as ladies. Girls are to be courteous and quiet during the ride.

Under No Circumstance is anyone to try to convince the bus driver to stop ANYWHERE (ie, Bonanza, McDonalds et al). The bus will only make one stop: the Beekman Beach Boat House.

If you are staying after for extra help and will not be taking the bus, please inform a fellow team member who will be riding the bus that day. You will be responsible to either leave extra help to make the bus or arrange a ride from school to the beach, independent of the bus.

There will be a pre-arranged bus loading spot. If the bus is not where it is supposed to be, DO NOT PANIC. Contact Coach Gary. He will contact the bus company to determine the problem. The school does not have any responsibilities for the bus.

The fee will not be prorated or refunded if you miss practice, quit the team or make other arrangements.

Thank you for your support.
